VISION ACCESS:

Linda received an updated quote from the printers. The quote reduces the number of copies from 180 to 150 and uses a slightly lighter bond paper for the cover sheet. This will save us approximately \$150. The board discussed the quote.

Cathy Casey will be sent 5 copies for those calling and requesting a copy, this will cover the requests that she has been receiving. There are a number of members receiving more than one copy of the Vision Access.

Jim move to publish the Vision Access with the quote given by Megan from our printers for the next issue. And that the Membership committee chair contact all members, including those of affiliates, to assure they are getting only one large print copy or if they are getting it in another format. second by Grady, MC
